British Dentists Pull Teeth, Fill Cavities by Stopwatch

LONDON—British dentists are pulling teeth and filling cavities by the stop watch this week.
The purpose is to determine how much time they spend treating each patient and why dentists under the socialized health scheme are earning such high salaries.
It is a ministry of health experiment. Five hundred dentists working the health scheme are doing the timing. Another 50 dentists who practice privately are filling out the same questionnaires as a check. They were chosen at random.
Health Minister Aneurin Bevin's calculations on the costs of "free" dentistry were thrown completely out of line by the fat paychecks of the dentists. He therefore halved all gross payments over 4,800 pounds ($19,200) a year "because of the urgency of the situation." Dentists admitted they were making more under the health scheme, but protested what they called an "arbitrary cut." They blamed Bevin's system of fees.
Bevin fixed the rates at 10 shillings ($2) for an extraction, 20 shillings ($4) for a simple filling and 30 shillings ($6) for a more complicated filling. He figured dentists would work 33 chair side hours a week and, at these rates, earn a gross annual income of 3,800 pounds ($15,200).
Many dentists, however, claim they can work much faster than Bevin calculated. The time check was designed to show whether Bevin misfigured.
"The high salaries now being earned may be due more to dentists having to work overtime because of the tremendous demand than to high rates," said E. D. Cox, secretary of the British Dental association.
There is nothing in the law to prevent a dentist from working day and night, and some do.

HON. HORACE H. EDWARDS FOR GOVERNOR

Won't you continue to Think before you Vote Aug. 2?

In 1926 we put Roads on a Pay-As-You-Go Basis.

We had over 500,000 Children in the last school session. They averaged over $106.00 each in cost, in the 1947-48 session. The census takers say there will be over 750,000 in 1958. We have to build more rooms for all, both white and colored. You know many people now pay no direct school tax. I believe most of them are willing to pay some school tax. EDWARD'S Sales Tax plan is for 4 years only unless re-enacted. Farmer's feed, seed, crops, etc. would be exempted. This pay-as-you-go plan seems to me better than LOANS to Counties to be paid back by increased local taxes on real estate, etc. It's YOUR decision! I urge you to think before you vote.

Here Was a Wife Who Had Heart of Gold Within Her

CAIRO, EGYPT—The wife of a temple scribe who lived 2,500 years ago was buried with a heart of gold, archeologists discovered recently.
The golden heart was found when they unwrapped the mummy, believed to be that of Nans-Basts, the wife of the scribe of Memphis whose tomb was discovered last month.
Nans-Basts' mummy was found with nine others deep in the tombs at Sakkara, about 15 miles south of Cairo. Alongside the scribe and his wife was found the mummy of their daughter.
Under the custom of the era, the heart and other vital organs were remover from the body before burial. These organs were placed in a jar and placed in the tomb with the coffin. Nans-Basts' golden heart was described as the same size of a human heart.

Engineers See Possibility Getting Heat from Ground

MILWAUKEE.—The day when homes will be warmed by heat from the ground is drawing closer, 250 Wisconsin refrigeration engineers have been told.
Experiments are being made to tap ground heat by a system of pipes. The equipment is based on the same principle as the electric refrigerator, C. H. Randolph, air conditioning engineer of the Wisconsin electric power company, told delegates to the annual convention of the Wisconsin refrigeration service engineers' society at the Wisconsin hotel.
Under this system, several pipes are sunk into the ground to a depth of from 10 to 20 feet. Then freon, a gas used in refrigerators, is pumped through the pipes, picking up the ground heat and transferring it to the house.

An increase in orders for railroads cross ties is hoped for during July. Some price adjustments are expected.

Bethany

WEBB—HAWKINS
Miss Ruth Ellen Hawkins, daughter of Mr. and Mrs. Ralph Leslie Hawkins, of Roanoke, became the bride of Martin Luther Webb, son of the late Mr. and Mrs. John William Webb, of Appomattox, Saturday, June 18. The ceremony was performed in the Raleigh Court Methodist Church, Roanoke, at 8:30 P. M., the Reverend N. F. Watkins officiating.
Given in marriage by her father, the bride wore a gown of a pale yellow marquisette over taffeta, with a long bodice, joined to a closely gathered skirt of teired ruffles cascading to end of long circular train, and accented at the off shoulder line with a berthed ruffle, the ruffle repeated at wrists of long sleeves. A pale yellow illusion fingertip veil fell from a crown of crushed illusion crossed with narrow bands of irridescent sequins. She carried a bouquet of pale green roses, green carnations, centered with a green orchid, showered with stephanotis in matching shade. She wore a strand of pearls, a gift of her aunt, brought to her from Japan by her aunt, Mrs. John Walker Henson, Jr.
The matron of honor, Mrs. Charles Hunter Gearhart, of Welch, W. Va., and the bridesmaids, Miss Dorothy Hundley, of Lebanon, Kentucky; Miss Sylvia Nelms, of Roanoke; wore green marquisette dresses fashioned to that of the bride, with matching mitts and shirred half bonnets. They carried bouquets of yellow roses and yellow carnations.
Jack L. Brown, of Lynchburg, Va. was best man.
Miss Elizabeth Starritt, organist, played a program of music and the traditional marches. Miss Marsha Larson sang "Take Thou this Rose" and "Thine Alone."
Ushers were: Blair Cook, Hugh Wills and Lewis Wakeford, all of Roanoke, and Charles H. Gearhart, Jr., of Welch, W. Va.
Following the wedding, a reception was given by the bride's parents in the Red Room of the Hotel Patrick Henry, Roanoke.
For their bridal trip the couple toured eastern Virginia. The bride's traveling costume was a sand suit, green accessories and green orchid. She wore a brooch at the lapel of her suit of rubies and diamonds, which her paternal grandmother wore on her wedding day 59 years ago.
Mr. and Mrs. Webb will be at home at Appomattox after June 27.
The bride attended Mary Baldwin College and graduated with the A. B. degree from Roanoke College. She was a member of the Sigma Kappa Phi sorority. The groom is a graduate of the Appomattox High School, a World War II veteran, and now engaged in business at Appomatox.
Among the many out-of-town guests at the wedding were: Mr. and Mrs. Richard Webb, of Appomattox; Miss Mamie Cullop, of Spout Spring; Mr. and Mrs. Morris Ferguson, of Richmond; Archie and Walker Webb, of Appomattox.
